

# SAGA Matrix

externally verifiable  
context of realization/decision  
(polling, wisdom of crowds)

expression (phenotype + environment)	orientation (attraction + opportunity)
sexuality (ethnicity + genes)	gender (narraticity + society)

singular  
pressure  
or source

mass  
pressure  
or source

internally verifiable  
context of realization/decision  
(sincere report, correlative analysis,  
distribution analysis)

narraticity could be 'the internal mode of self reconciled and synthesized with the "subaltern" societies install into us' as one becomes a gendered self
